Dear Mr. Weisberg:

I want to thank you for the wonderful Easter eggs you prepared and sent to the hospital at Easter time. These were quite a sensation, particularly when the children realized they were goose eggs- and not a toy variety.

Because we had no facilities to send one over to another hospital, as you suggested, we took the liberty of sending both of the eggs to our Pediatrics Wing. You may be sure that our little patients appreciated them very much.

Your thoughtfulness is much appreciated.

Sincerely,

Amelia C. Carter
